## ADDISON CITIZENS FOR TODD MEIER FOR MAYOR

Dear Addison Neighbor,

We are proud to be part of a team that celebrates the diversity of Addison. We represent every neighborhood, ethnicity and age group. **On May 14 you will be asked to vote for the next Mayor of Addison. We encourage you to vote for Todd Meier.**

The past few years have been difficult for our country as our nation's economy faltered. Luckily Addison had leaders like Todd who planned for downtimes, so that we were better able to weather the storm.

If Addison does not attract and keep businesses, our city leaders may be forced to turn to residents to make up that revenue, or cut services. **As a successful businessman, Todd is prepared to help our businesses thrive, so that Addison continues to be a top choice to live, work and play.**

Todd understands the needs of the typical Addison citizen. He has seen – first-hand – those affected by the recent economic downturn and subsequent “jobless recovery” through his work at the Metrocrest Social Services Food Bank.

Many of us have known Todd Meier for decades, some since he was a young boy attending Greenhill School here in Addison. Over the years, he has become more involved in molding our city's growth by serving on the City Council and supporting our cultural institutions.

Todd believes the next steps for Addison are to face the realities of today that threaten our tax base. **He is committed to helping our tax base grow so that we can keep our property taxes as low as possible and keep property values as high as possible.**

Todd would like to see the city hold public forums at election time. In the meantime, he invited all of the candidates – including his mayoral opponent and the four City Council candidates – to come to his March 29 event. With an appreciative crowd of more than 150 Addison neighbors, all four of the City Council candidates joined Todd to address us and our fellow citizens.

We believe Todd understands the beauty of our past, and embraces the power of our future. He has the experience, commitment and fortitude to lead Addison. That is why we have joined together to endorse his candidacy. We urge you to vote for Todd Meier on May 14.

Sincerely,
